Nestled at the base of Mt. Currie, Sunstone Golf Club sits upon an amazing golf course that offers two distinctly different layouts. The first nine holes of the course is sprawled across the grassy, wide-open Meadows. The front nine features the course's signature hole, the par-4 eighth. This hole's trademark is the tricky island green, which requires a tremendously skillful second shot. The densely forested back nine is tighter and more difficult than the first half of the layout. Water hazards come into play throughout but they are mostly concentrated on the first nine
