ROCKLAND

Golfrockland.ca

The Rockland Golf Club is one of the finest in the Ottawa region. It is made up of 27 holes with the "original 18" having large undulating greens and mature trees that line most of the fairways. The "new 9" is more of a links style course, with open landing areas and rolling greens, which place a premium on approach shots and the player's short game. Both designs are sure to enhance your visit and also present a challenge to players of all ability. The course, clubhouse and atmosphere make the Rockland Golf Club one of the region's most challenging and rewarding golfing experiences.
